Teacher's notes:

Module 5   Appearances

This worksheet is designed for use after completion of pages 42–47.

1   **Students decide if the adjectives are positive or negative. Answers will vary according to the student. Get them to compare in pairs before you get feedback.**

2   **Suggested answers:**
    brave – cowardly
    tanned – pale
    ugly could be the opposite to: attractive, good-looking, beautiful, handsome, pretty

3   **Students match an adjective to each famous person. Again answers will vary according to the student.**

4   **Students write five sentences with comparatives and five with superlatives about the famous people using the adjectives.**

5   **Students can then compare their answers with a partner and check if they have written sentences about the same people.**
