Vocabulary Worksheet

Side by Side Book One – Chapter 17

The words below are taken from Side by Side, Book One, Chapter 17. For each word below please write in what the word means and then a sentence using the word. For opposite pairs describe what each of the words means and then give separate sentences for each word.

Example:

Bird: An animal with wings and feathers. Most birds can also fly.

Sentence: I like to listen to the birds sing in the park.
